Lake George Property Owners Association
Corporate Membership Meeting Minutes
Sunday, September 2, 2007

- Boater Safety Certification
 - Next year's class will be held the 2nd or 3rd Saturday of June.
- Softball Tournament
 - Planning to hold the tournament on June 18th & 19th at Hamilton Field.
 - This year there were 13 teams.
 - The Buckhorn Bar won the tournament this year.
- Boat Parade
 - Participation in this year's boat parade was light with only five entries.
 - Members were asked to provide suggestions for a theme to the boat parade committee.
 - Received a suggestion from a member to allow boats to go "as is" without decoration and have everyone join in the parade as a way of showing support for the community.
 - Another suggestion was to hold a boat parade on both Lake George and Shingle Lake.
- Audit
 - An audit was held on August 16th covering October – December.
 - No discrepancies were found.
- Directory
 - Extra directories are available at the membership meeting for those that would like an extra copy.
 - The LGPOA collected \$970 in advertising fees for the directory.
 - A special thanks was given to Roger Carey and his wife for their assistance with developing the directory.
- Old Business
 - No wake rule
 - Lake George is having an issue with boaters and PWC adhering to the 7:30 p.m. no wake rule.
 - Some no wake signs are covered with vegetation; however, Lincoln Township needs permission to enter private property to clear these areas.
 - If there is an issue, members may need to write down the boater's MC number and call the sheriff's department.
- New Business
 - The grassy area near the Plum circle needs to be cut.
 - Membership discussion regarding the impact of seawalls on wildlife.
Current rules for installation of seawalls require addition of stone around the seawall to enhance wildlife habitat.
 - Easements, Road Ends & Walkways
 - They are identified on the subdivision plat available at the Clare County Offices.

- A member indicated that they received notification that they needed to remove a dock from one of these areas, even though they had been using the dock for many years.
- Members are encouraged to have good relations with their neighbors to avoid confrontational situations regarding these areas.
- Lincoln Township follows Michigan state law regarding usage of these areas.
- Guest Speaker, Bre from Professional Lake Management
 - Management of Lake George and Shingle Lake focuses on managing invasive weeds.
 - There were multiple treatments this year.
 - This year's weather conditions have been favorable to weed growth.
 - Eurasian Milfoil can grow as much as one foot per week.
 - Overall, the lakes are in good health.
 - Lake George Information
 - Treatments worked well this year.
 - Future year treatments will be similar to this year.
 - Shingle Lake Information
 - Growth of invasive species was very strong this year.
 - Deeper water Eurasian Milfoil was found and is an important issue.
 - Whole lake treatment will be needed next year.
 - Native plant growth is strong and good for the lake's health, even though it might be considered bothersome to some residents.
 - Question & Answer Session
 - Q. Could weevil introduction be beneficial to the lakes?
 - A. PLM has been involved with weevil studies and the results are not considered satisfactory by PLM. Weevils are expensive and it takes a long time to see results.
 - Q. Is there any affect on the fish from the chemical treatments, such as stunted growth?
 - A. No, studies have shown no affect on any fish species. However, there are other factors could cause stunted fish.
 - Q. Is lawn fertilizer bad for the lakes?
 - A. Fertilizer if very bad for the lakes. If you must use fertilizer, use the type without phosphorous.
- Guest Speaker, Gene Ringley Jr., Township Supervisor
 - All ordinances are available on the Lincoln Township website.
 - Accessory buildings now allowed 10 feet from the high water mark and 5 feet from the side lot line.
 - Amending the ordinance to allow building an accessory building on a vacant lot.
 - Dock & Boat Ordinance – Changes Under Consideration

Lake George Property Owners Association
Corporate Membership Meeting Minutes
