- k. New Business:

Lynn M. & Gary will attend the next township meeting held on Monday 7/14 to address blight, garbage and keeping up the yards. Inspiring everyone to keep the town looking good for all residents & visitors.

We are seeking seven new board members to serve a 3 year term. Encourage our members and friends to join and contribute to our community.

Motion was made by Jason and second by Craig to donate \$500.00 to the Firework Fund, all present voted yes.

The bylaws require a minimum \$15,000 contingency fund in the treasury. Any excess may be allocated to other funds or events. Mary Lynn will share the projected balance with the board, and we will propose two motions to the general membership for allocating the surplus funds at the Fall General Meeting.

Lynn is currently trying to gather information about a possible Hunter's Safety Class but has not received any responses yet. He is still attempting to make contact.
