

## **NEWSLETTER CORRECTION:**

On the first page of the most recent newsletter, we stated that the Board would be changing the bylaws regarding board member seats needed from Shingle Lake. The copy was as follows:

*The Bylaws of the LGPOA state that we need to have at least 3 members from Shingle Lake on the board. Kent Cousino was our only board member from Shingle Lake and he was not re-elected. The board has made a decision to update the bylaws to state: If there are no members elected to the board from Shingle Lake, the board reserves the right to choose someone as an alternate or member at large to fulfill this seat.*

We neglected to state that this matter would be brought up at our next General Membership meeting in the Spring. This will be presented to the membership and a vote will take place to change the bylaws.

We are sorry for the miscommunication on this matter.  
Thank You.
